

June 9, 2014

Band parents:

The Wonderland trip is Wednesday, June 11. Students (and parents going with us) need to be at school between 8:00 and 8:15 am, for an 8:30 departure. They need to make sure their instruments and music are on the bus. We should be back by 8:30 p.m.

Students should bring snacks for the bus, and money for lunch/supper. Wonderland does not allow any outside food or drink to be brought in to the park. We usually make a stop in either Whitby or Port Perry on the way home for supper.

Students have been asked to wear a Queen Mary t-shirt, or a shirt in Queen Mary colours (green or blue) for our concert. Please check the forecast and pack appropriately (sunscreen, raincoat, hat). Students will not be allowed in the water park, but may wish to bring change of clothes/towel if they plan to ride water-based rides within the main park. Cell phones are extremely helpful, if your student has one, as we use them to connect with each other via text throughout the day in the park.

I am trying a new communication app (Remind 101) as part of the trip. If you text the code @033b3 to (705) 243-4516, you will be added to my wonderland trip list (only the app sees your number, not me). This will let me keep you posted about any changes to our schedule with a quick text.

Any parents who are planning to come, and have not yet confirmed that with me, please let me know asap (lisa_noble@kprdsb.ca). Parents need a police check and a cell phone, if possible.

Thanks,

Lisa Noble
