

January 2016

Dear parent/guardian:

Your child has signed up for band this year. Band will practice Tuesday mornings at 8:10 (doors will be open at 8), and we will occasionally require an extra practice (probably 1 day after school). Being part of the band will require a commitment to practice time outside of band practice and class time. (suggestion: 30 minutes – 1 hour/week).

We have a June date scheduled for a trip to Canada's Wonderland to perform. Please consider joining us (I always need 2-3 parents to join us). Cost will be approximately \$60 to cover Wonderland admission and the bus – if you have a Wonderland season's pass, you only pay bus cost (\$30)

Thank you for supporting your child in this activity,

L.Noble

____ My child has permission to join the band, and understands the expectation of practice.
