Dear parent/guardian:

Your child is taking an instrumental music class this year. As part of the curriculum, students are expected to practice at least 30 minutes/ week. Students will have the opportunity to practice at school once a week, but will also be able to take an instrument home once a week, and on occasional weekends. If the instrument is damaged while in the student's care, there may be a charge for repairs. Please do not attempt any repairs at home, as instruments may be damaged further. Please sign the attached form and have it returned to me as soon as possible.

Thank you for supporting your child in this activity,

L.Noble
